Alameda County Reading Association
2010 WALTER J. MC HUGH AWARD
ASSISTANCE IN READING INSTRUCTION

*In memory of **Walter J. McHugh**, former professor at CSUH*

Dear Colleague,

In the teaching of reading, educators rely on the assistance of tutors, aides, and volunteers. We all know people who, by helping students become better readers, have become indispensable to the reading program. We should take time to honor these very dedicated assistants.

The Walter J. McHugh Award for Assistance in Reading Instruction, presented by the Alameda County Reading Association of the International Reading Association, is one opportunity to provide recognition to a deserving person.

Any person assisting educators in Alameda County Schools, such as an aide, volunteer, or student who has a special interest and commitment towards the improvement of reading, may be nominated for this award. Your cooperation in helping to find the most qualified recipient will be greatly appreciated.

A \$100.00 stipend accompanies the award, to be used at the discretion of the recipient to improve reading in Alameda County.

The award will be presented at the end of the year Alameda County Reading Association Awards Dinner.

Sincerely,

Cheri Benafield
